

The Fundamentals of Hospice Palliative Care

Fundamentals of Hospice Palliative Care

The Fundamentals of Hospice Palliative Care program is a prerequisite for the Comprehensive Advanced Palliative Care Education program (CAPCE).

The program is delivered using a combination of in-class, self-directed reading and on-line modules over 6-8 weeks. The course is an introductory, multi-disciplinary education opportunity for all health care providers and volunteers. Attendance at three in-class sessions is mandatory.

Attendance for three in-class sessions is mandatory
